All of us who love Hawaii love it because it is unique...totally unlike other places where billboards and signs deface the natural beauty of the place. We have a lot of busses which are painted in ways to enhance our experience of them. Printed Ads are ugly and distracting!... Did you notice the skaters at the nationals and how their art had to compete with ugly signs all over the edges of the rink? The extraordinary beauty of Hawaii should not have to compete with this sort of thing... Please use your influence to keep us unique in this way!!

Thank you for the good work you do!!

Much aloha
